

# Of Man And Beast

Outdoor dance work from Company Chameleon

Commissioned by Without Walls, Ageas Salisbury International Arts Festival  
and Merchant City Festival Glasgow

Manchester's producing and touring dance company **Company Chameleon** makes dance which tackles human and personal issues using an engaging, athletic movement vocabulary. The company performs over fifty indoor and outdoor performances a year & offers a quality education programme for people with and without a previous experience of dance.

**Of Man and Beast** is **Company Chameleon's** first group piece for the outdoor circuit, and the show they were born to make; a glorious mix-up of testosterone and fragility. With jaw-dropping athleticism from the start, the work's five performers (Anthony Missen, the company's co-Artistic Director and choreographer of the work, Taylor Benjamin, Lee Clayden, Theo Fapo and Thomasin Gülgeç), reveal modern male group dynamics with humour and insight.
