# Step Hop House

A feel good funky performance around a maypole

## Touring 2026

**“it was so great to have a company that I know I can absolutely trust to deliver fantastic performances and workshops”** Jessica Santer, Turner Sims Gallery, Southampton

**“fabulous as always.”**  
Martin Collins, Summer Sounds, Kings Cross

With a unique choreographic palate of traditional folk and contemporary street styles, **Folk Dance Remixed** creates a high energy fusion of dance and musical forms which audiences love to watch and join in.

**Folk Dance Remixed's Step Hop House** is a quirky and colourful 30 minute performance around an actual 12' maypole. Featuring a diverse cast of six dancers and three musicians, the work combines Maypole dancing, Clogging, Street, House and Breakdance with flavours of African and Bollywood all to a live soundtrack of fiddle, bass, percussion and beat boxing.

Each **Step Hop House** performance package includes eighty minutes of audience participation - either maypole workshops or ceilidh dancing (or a combination of the two).

## BOOKING DETAILS
