Folk Dance Remixed Ceilidh Experience

“The Ceilidh Jam was an absolute riot and was exactly what we hoped would happen – it made a hugely memorable welcome celebration for the weekend.” Latitude

Participatory Packages to suit your scale and budget

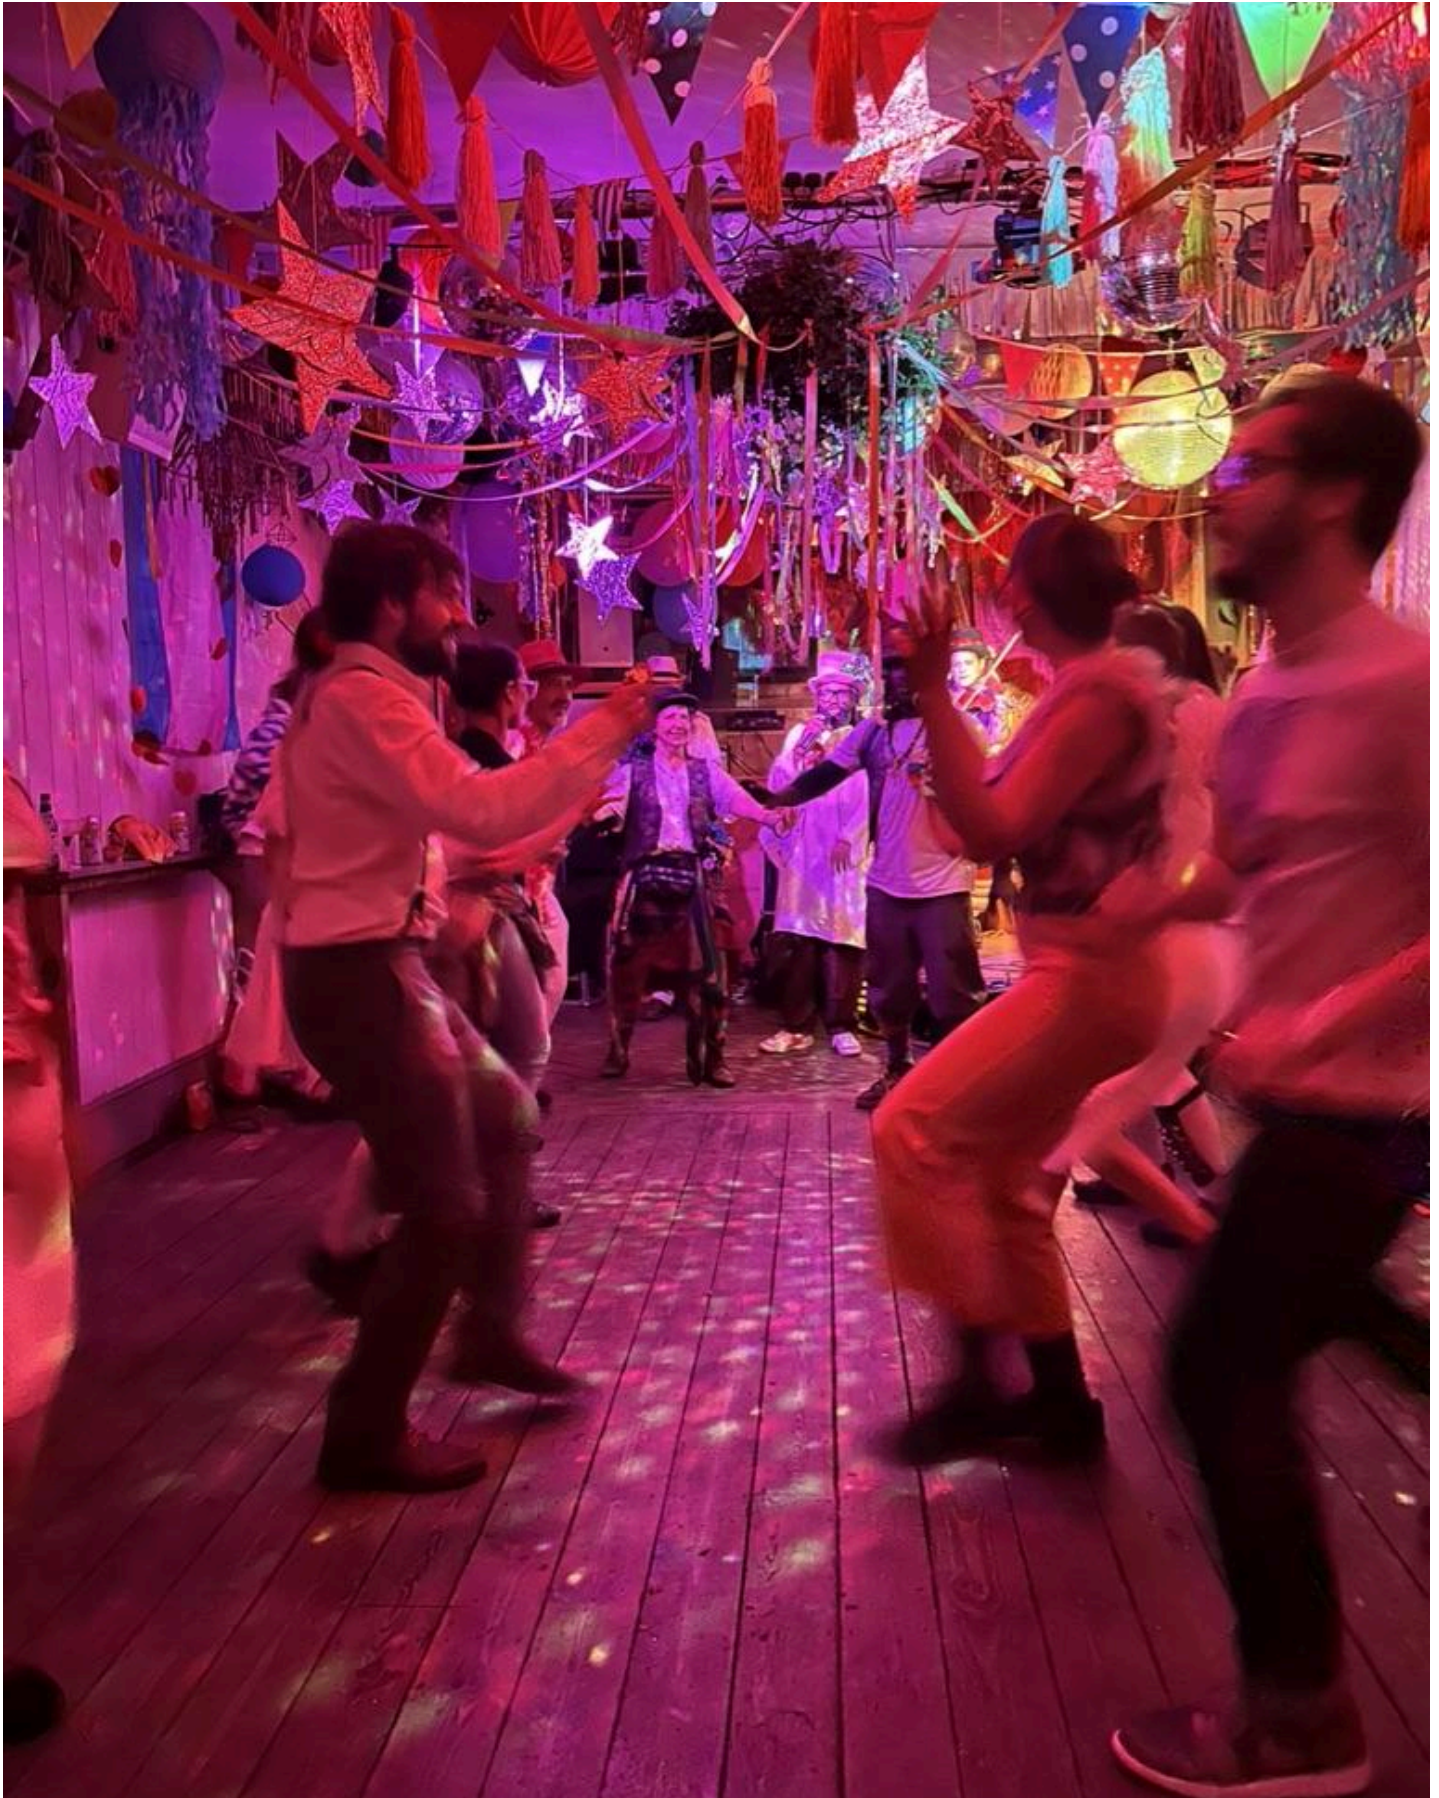

With a unique choreographic palate of traditional folk and contemporary street styles, **Folk Dance Remixed** brings people together through a high energy fusion of dance and music.

Everyone loves a ceilidh! **Folk Dance Remixed's Ceilidh Experience** gets the crowd on its feet to dance a funky-folky ceilidh to a foot stomping, heart pumping, big music sound. With vibrant hosts and traditional style calling, folk formations are remixed using legendary moves and freestyle grooves from *Soul Train Line* to *Strip the Willow* and *Electric Slide*.

The company has **Ceilidh Experience** packages to suit all scales and budgets from the self-contained **Ceilidh Workshop** delivered by a two-person team to the **Full Ceilidh Jam** with callers, live music and dance demonstrations.

Please note that, although some people may choose to watch, these are participatory activities (not performance events).

Ceilidh – pronounced Kay-lee, it's like a barn dance, country dance, bush dance – it's foot tappin' hand clappin' fun for ALL to join in!!
